A young child with light hair is sitting on a large, patterned rug in a nursery room. The child is wearing a striped shirt and shorts, and is smiling while playing with several wooden blocks. To the right of the child is a wooden toy boat. The rug features a large, colorful illustration of a boat with a striped sail. In the background, there is a white wooden crib with vertical slats. On a shelf above the crib, there are several framed pictures and a small stuffed animal. The overall atmosphere is warm and cozy.
